ASK FOR OUR PRICES ON CONTRACT PLANTING

Be sure the trees you buy have been transplanted at least every two years

Terms: Net cash, no discounts.

Two hundred fifty trees of any one kind and size at the thousand rate. For less than 250 of one kind, ask for retail price list.

No extra charge for boxes or packing. All orders shipped by express unless otherwise specified.

Once more because of lowered overhead costs and increased production we are able to offer a superior quality of trees at prices lower than ever before. For the past three years we have endeavored not only to increase the volume and variety of stock offered, but to produce trees of a superior quality. We feel that our efforts have been rewarded and that we are offering you a quality of tree which cannot be equalled at the prices made possible by our quantity production.

Use these trees for forest planting, Christmas tree planting, roadside beautification, and the growing of ornamental nursery stock.

We invite your questions about any contemplated planting project.
